

# TARRY AWHILE

Milton Keynes RSCDS

## Dates for your diary

**Monday 30th April** is the date for our **AGM** - dancing from 8pm, a brief AGM during the break and then some more dancing.

We are always keen to have new members on the committee, with fresh ideas and to bring a different perspective, so please do think about it.

If you would like to know more about joining the committee, or you would like anything raised at the meeting speak to Graham or any committee member.

**No dancing** on Easter Monday 2nd April, or the Monday Bank Holidays 7th and 28th May.

**Classes finish** on 21st May - **Recommence** on 3rd September.

**Social dancing** on Mondays 4th, 11th, 18th and 25th June.

## MKRSCDS Annual Dance

We were very pleased to welcome back Stuart Anderson's Band for our Annual Dance this year. Our new venue at Old Stratford Hall with the revised seating plan for the food worked really well.

It would have been good to have a few more dancers but those who attended seemed to really enjoy their evening. We had quite a few less confident dancers and two with no experience at all, but everyone was very accommodating and helpful.

Our thanks to the members who provided the catering and the wonderful home made desserts.

The Guides worked really hard throughout the evening and were very pleased to go away with more than £160 raised through the raffle for their 2 projects. Even though ticket sales were lower than we'd hoped, we did make a profit on the event so the committee have decided to give an extra £95 to the Guides. We're sure you'll agree they deserved it.

### Next year is our 40th!

Keep the date free - 9th March 2019.  
We'll be celebrating the event with Nicol McLaren and the GlenCraig band!

Have a good Easter break, see you at the usual classes on Mondays and especially on 30th April for our AGM.

**Happy Easter**
